Dear Mr Gardner

**Reference on contempt of court**

Thank you for notifying the Office of the Victorian Information Commissioner of the Victorian Law Reform Commission's (**Commission**) consultation paper *Contempt of Court* and for giving us the opportunity to make a submission.

I appreciate the Commission informing us about the consultation paper. Having reviewed the paper and given my office's limited expertise in this important area of law, I do not consider that we are in the best position to make a meaningful and informed contribution to the review.

My office will follow the progress of the review with interest and we look forward to reading the Commission's final report. We wish you all the best in your deliberations.

Yours sincerely
